*1 of 1 people found the following review helpful. Save half an hour of lawyers fees, read this book first. By Krykie This is a great manual to learn about the emerging trend of mediation, collaboration, and cooperation. There is a gray area inbetween "we agree on everything, 100% mutual" and "The War of the Roses," and this book explores all of those options. It is in great detail -- more detail than I needed -- but rather err on that side. It prepared me to be better informed when I talked to my lawyer.... In the minutes I was able to save in understanding the above types of divorce from having read this book MORE than paid for the clock ticking as my lawyer would have otherwise had to explain it. I'm in the middle of my personal drama -- and I'm @#\$\$% glad I read this book first. 2 of 2 people found the following review helpful. Great book for a sad situation. By Dr. Oceanfront I am a big fan of Nolo books. This one gives a lot of information to people who have no idea what they are getting into when they start thinking of getting a divorce. Whenever I have a client who comes to me for a divorce mediation, I make them read this book. They really thank me...they should thank Nolo! 18 of 18 people found the following review helpful. Basic divorce info but not much financial settlement advice. By vegetarian x This Nolo Press book is a very basic, extremely helpful and well-organized overview of the mediation/collaboration process. The questionnaires are straightforward and help to simplify some initial decisions. However, I had hoped for more information and advice on negotiating a somewhat more complex financial situation, especially for couples without children. For that, I recommend : Divorce Money: Everything You Need to Know About Dividing Property and The Complete Guide to Protecting Your Financial Security When Getting a Divorce*

*The all-in-one guide that shows couples how to end a marriage, fairly and inexpensively. Can you really have a civilized divorce? Ending a marriage is always difficult, but it need not be defined by financial or emotional conflict. Avoid huge legal bills and jockeying lawyers while protecting your kids -- turn to Divorce Without Court for help. The book guides you through a negotiated divorce, using divorce mediation or a new approach called "collaborative divorce." Encouraging and straightforw ...*
